IG: @Kelseynicole918

Kelsey Nicole is passionate about sharing joy with her audiences. Specializing in interactive performances, she encourages families to play and learn throughout. Kelsey is as focused and professional in her interactions with clients as she is playful with her audiences. With degrees in museum sciences and wildlife biology and over six years of experience performing, you'd be hard-pressed to find something she isn't interested in seeing, doing, or learning!

What I can do

Ambient Performing Skills | Since June 2022

- Strolling juggling
- Lollipop
- Aerial silks
- Pole (Since December 2018)
- Stilt-walking
- Contortion (Since 2019)
- Duo acrobatics

Stage shows | Since May 2023

- Solo - Up to 50 minute engaging educational family stage show
- Duo* - 50 minute duo show with acrobatics and optional aerial add-on
- "Plug-and Play" juggling, contortion, pole, and rola bola acts that can be added to any show with any number of performers.

*Duo show and acrobatic partner is another aerialist and prop performer from Tulsa, OK. To hire a duo show performance, please reach out to confirm availability of both performers.

Notable Performances

- Fire contortion and pole performances, juggling, and duo acrobatics at outdoor park with 5,000 person audience
- Acrobatic inning entertainment and aerial duo finale at major league baseball game
- Pole, lollipop, cage, table contortion, chair acrobatics, and dance in three consecutive Nude Art Shows.

Equipment I can provide

- Up to 21' Circus Gear aerial rig with pulley system, aerial silks, and pole
- 4'x2' Contortion table
- 2' and 3' Stilt Factory peg stilts
- LED and day juggling clubs and balls
- Speakers and wireless microphone

Not very fun but important stuff

Certified fire safety. Insured for all performance and fire through Specialty Insurance Agency. Instructor insurance through NACAMS. Photographs of available costumes and promotional material available upon request.
